**WELCOME NEW GOVERNING BODY MEMBERS**

We welcome the new Governing Body Members and wish you well with your new role, and much success for your school. Our team looks forward to working with you.

**SECTION 41 FINAL DEMAND LETTERS**

**It is time to do your Section 41 Final Demand letters.**

Send these out as soon as possible to your non-payers. They do get payments in. You can send out your Section 41 Final Demand letters as soon as you have processed your Exemption applications in the first term. This is common practice at schools that collect well.

- i** CeeBee provides a service where we prepare and send out your Section 41 Final Demand letters via Registered email or Registered mail.

The only cost to the school is the actual per Registered email/mail costs:

- Registered emails cost R26.39 including VAT per email.
- Registered post via the post office cost R44.90 including VAT per letter.

The school is then given a copy of each letter and Registered receipt showing it was sent.

**OUR PROCESS:**

If you have sent your Section 41 Final Demand letters at the end of the first term, you can hand over your non-payers by the end of August. We particularly recommend handing over your Grade R-1 / Grade 8 parents as soon as possible. Once the parent has been handed over, they will be traced, and communicated with extensively by our trained collectors.

Parents are given a 21 day period in which to make a payment or payment arrangement. Failure to receive payment will result in the parents being credit listed. Should this process not elicit payment, the parent will be Summoned, and Judgement will be taken at Court by CeeBee's Legal department.

CeeBee carries all the costs for the above actions.

## GIVING BACK TO THE COMMUNITY

We believe that a solid foundation based in education, creates a stronger society.

That's why CeeBee supports charities with children as the recipients and has numerous bursaries to empower young minds in our community.

"Education is the most powerful weapon which you can use to change the world."

Dear Charleen Brake

#### LETTER OF APPRECIATION

As the new Manager of the Ruth First Jeppe Memorial Trust, I am writing to express my sincere gratitude for your consistent support and generosity towards our mission of empowering girls through education in South Africa.

Since the Trusts inception, with our first learners entering Grade 8 in 2011, CeeBee has played an important role in the work we do providing scholarships for girls to access quality high school education at Jeppe High School for Girls. These young learners are living in difficult circumstances but have displayed great resilience, potential and determination to succeed in life. Thanks to the long-term support we have received from CeeBee, initially with partial funding in 2011 and then full funding in 2012, CeeBee has made a significant difference to our learners and their families.

We are so grateful and hope to continue with our partnership in girls' empowerment.

Sincerely

RA Hill

## Child Welfare receives new set of wheels

CeeBee Debt Management Services blessed the Boksburg Child Welfare with a Nissan Micra on September 15. This comes after the company read an article in the Advertiser about the organization appealing for a vehicle.

MD of CeeBee Douglas Brake and founding director Charleen Brake, said they always believed in giving back to society.

"The day before reading the article we had a company vehicle become surplus to the requirement as the CMS who used it decided to go onto car allowance. The organisation Operates in Boksburg, Vosloorus and Raigard Park, so by donating the car we are giving something to our direct community.

"As parents and grandparents, children are very close to our heart. We have over the years sponsored many children's school fees through CeeBee. We are sponsoring five children. We have for over 10 years sponsored a child at Jeppe Girls through the Ruth First Trust."

Douglas explained they will also carry out the maintenance and servicing of the car.

The organisation's acting director, Nompumelelo Gidela, cried tears of joy during the handover and thanked the company for their generosity.

## WHAT IS NEW ON THE BELA BILL?

### Latest amendment to the Basic Education Laws Amendment (BELA) Bill.

The National Council of Provinces (NCOP) has approved and passed the amended Basic Education Laws Amendment Bill, with eight of the nine provinces voting in favour of the changes. The passed bill, the amended D-bill, was adopted by all provinces except the Western Cape.

Some of the major changes coming to schools in the D-Bill include:

- Allowing schools to determine and develop their own language and admission policies, but giving the Department of Basic Education the final say;
- Regulating various aspects of school governing bodies;
- Making Grade R the new compulsory school-starting age;
- Criminalising parents who do not ensure their children are in school;
- Regulating home education;
- Confirming the ban on corporal punishment.
